How to Change Your United Flight Date: Online vs. By Phone

Option 1 – United.com / My Trips

You can initiate a date change online by logging into your United account and navigating to "My Trips." From there, select the booking you wish to change, choose "Change Flight," and search for alternative dates ✨ +1-844-578-2245*® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"* || ❖. While this works well for straightforward single-passenger domestic itineraries, the online system has significant limitations – it cannot always process international fare rules correctly, handle complex multi-city itineraries, apply eCredits toward fare differences, or assist when a system error prevents the change from being completed ✨ +1-844-578-2245*® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"* || ❖. If you encounter any friction at all during the online process, stop and call ✨

+1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖ rather than risk submitting a change incorrectly.

Option 2 – Fly United App

The Fly United mobile app mirrors most of the functionality of the website for date changes and also supports the Same-Day Change feature within 24 hours of departure ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖. Like the website, the app works best for simple domestic itineraries – for international changes, multi-passenger bookings, or any situation involving eCredits, calling ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖ remains the most reliable path ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖.

Option 3 – Call United Directly (Recommended)

For any date change that is even slightly complicated – international routes, multi-stop itineraries, Basic Economy edge cases, eCredit applications, or same-day requests – calling ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖ is by far the fastest and most reliable method ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖. A live United specialist picks up your call 24 hours a day, 7 days a week, pulls up your booking instantly, reviews your fare rules in real time, quotes any fare difference accurately, and processes the date change in a single conversation ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖. There is no risk of submitting the wrong date, no technical errors, and no guessing about whether your change went through ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖.

What Happens to the Fare Difference When You Change Dates?

Understanding how United handles the **fare difference** on date changes is just as important as understanding whether a fee applies ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖.

If the new flight costs more: You are required to pay the difference in price between your original fare and the new fare at the time of the change ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖. This fare difference is based on live inventory pricing at the moment you make the change – not on the price you originally paid – so acting quickly on a date change generally saves you money ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖. Call ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖ to have an agent compare your current fare against available dates so you can choose the most cost-effective option.

If the new flight costs less: United will issue the price difference as an **eCredit** to your SkyMiles account, which you can apply toward future United travel ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖. Note that eCredits are currently applied only toward future ticket purchases – they cannot be used for seat upgrades, bag fees, or other ancillary charges at the time of writing ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖. If you want to maximize the value of any eCredit you receive, a United specialist at ✨ +1-844-578-2245★® ☆

(US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖ can walk you through how to apply it correctly on your next booking.

Special Circumstances: When United Waives All Date Change Rules

United may waive date change restrictions entirely in certain situations that go beyond standard policy ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖:

Death of an Immediate Family Member: In the event of the death of a passenger, travel companion, or immediate family member, United will make exceptions to date change and cancellation policies regardless of fare type ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖. Contact United directly at ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖ and a specialist will guide you through the process with appropriate sensitivity and urgency.

Airline-Initiated Schedule Changes: If United changes your flight schedule by 3 hours or more on a domestic route (or 6 hours or more on an international route), cancels your flight outright, or makes significant changes to your itinerary such as adding connection points or downgrading your cabin, you are entitled to change your travel date or receive a full refund – regardless of your original fare type ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖. If United has modified your schedule and you have not yet been notified of your options, call ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖ immediately.

SkyMiles Elite Status: Diamond, Platinum, Gold, and Silver Medallion members may receive additional date change flexibility and waived fees beyond what is available to general passengers, depending on their tier and the specific fare type ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖. Call ✨ +1-844-578-2245★® ☆ (US) or. ||TEL"+1-(844)-578-[22.45]"★ || ❖ and mention your Medallion status when requesting a change to ensure all applicable benefits are applied to your booking.
