B.A.

Concentration- Law & Society

PROFILE

My career in human services highlights my preference for positions that allow me to listen to people's stories and appreciate them as assets for elevating human experiences; this incorporates my passion for facilitating connections that strengthen the community with my professional experience. I thrive in environments that encourage both collaboration and independence; I am drawn to leaders who empower, assume competence, and promote the use of boundaries, both professional and personal, to maintain a high standard of ethics.

EMPLOYMENT EXPERIENCE

HIGHER EDUCATION:

Undergraduate Academic Advisor

Purdue University, Daniels School of Business December 2023 – Present

- Provide one-on-one academic advising to undergraduate students, guiding them in course selection, degree planning, and academic goal-setting to promote timely graduation.
- Apply the principles of student centered advising to build rapport, identify strengths, and empower students to take ownership of their academic and personal development.
- Interpret and communicate university policies, curriculum requirements, and academic procedures to help students make informed decisions.
- Collaborate with faculty, campus partners, and student support services to address individual student needs and enhance retention.
- Develop and deliver presentations, workshops, and resources to support student success and engagement.
- Utilize data and student information systems to track progress, identify at-risk students, and implement appropriate interventions.

OTHER:

Behavior Consultant

Insights by ViaQuest 2019-2023

Tangram Inc. 2018-2019

- Develop, oversee, and monitor intervention plans to identify and reduce barriers to client success while building existing talent.
- Analyze data to determine motivation, direct problem-solving, and predict trends.
- Create and facilitate collaboration with various stakeholders and promote inclusion and sense of belonging for individuals with developmental disabilities through strategic outreach
- Develop and present curricula on human behavior, motivation, and conflict resolution.
